

## The Developer - mc<sup>2</sup> Tropical Property

Founded in 2001, mc<sup>2</sup> are the developers of the new Outrigger Panorama Bali Resort & Spa.

Specialists in the development of luxury property on the island of Bali, mc<sup>2</sup> are behind many of the island's most stunning resorts including Jempinis Villas, Cahaya Mentari adjacent to the Jempinis Villas, Alu Bali and the recently opened Sesari Bali.

At the helm of the organization are Grant McArthur Managing Director and Richard McCandless Marketing Director.

With over 45 years of business experience between them, the pair bring together a wealth of knowledge and understanding, assisting clients maximize their investment potential and lifestyle pleasure.

A qualified accountant, Grant has been in the luxury hotels and property market over 25 years. Prior to establishing mc<sup>2</sup> he was the founder and owner of Kupu Kupu Barong, Ubud and was a major shareholder in the Cambridge Hotel Group, whilst continuing his post as director of SEAS Group. Grant is responsible for land acquisition, government liaison, design development and resort management at mc<sup>2</sup>.

Richard, a member of the Chartered Institute of Banking and the Chartered Institute of Marketing, is the concept, packaging and design leader at mc<sup>2</sup>, as well as the driving force behind sales and marketing. He was previously Regional Director at advertising powerhouse Foote, Cone and Belding in Asia Pacific and prior to moving to Asia, Group Chief Executive of Publicis Financial, Europe's largest financial marketing consultancy.

Outrigger Panorama Bali, Resort & Spa is the company's newest project on the tropical island of Bali. Expected to be completed in the autumn of 2009, the fantastically located resort will offer 176, luxuriously appointed studio, one, two and three bedroom condominiums alongside a range of five-star facilities for all the family.
